TECHNICS® is desperate in making a delicate product for wonderful customers as per the requirements. We have facilities under one roof from cutting to packing with nonstop record-keeping at every procedural step for quality assurance. Our team has mastered the promise of delivering excellent products with the best quality after 30 years of experience.

We make sure of accurate daily reporting of every department to be carried out with great precision to move the graphs upwards and achieve excellence. Our team closely inspects the material through the color matching test using the desired Pantone shade and wash/tear and stretch tests.

Our devoted quality control managers, responsible for auditing each batch, and our smart line checkers on production, guiding and briefing the stitchers beforehand and supervising closely during production to resolve any arising issue, allow us to bring the finest finished products to our customers. With continuous effort of our highly experienced and educated office staff, we are driven to take the burden off from our customers and make it a smooth hassle-free correspondence.
